

# Rhode Island Department of Human Services

## FFY 2025 LIHEAP Income Eligibility

Rhode Island households are income-eligible for the Low Income Heating Assistance Program (LIHEAP) when the household's gross income is equal to or less than 60 percent of the State Median Income for their household size. This is for mandatory use as of October 1, 2024.

### FFY 2025 LIHEAP Income Eligibility 60% State Median Income (SMI)

Household Size	12 Month	3 Month	1 Month
1	\$39,101	\$9,775.25	\$3,258.42
