This music-filled fundraiser will rewind back to the 1960's and groove its way through the decades, streaming to the hits of today.

Join us for a nostalgic journey as we relive bygone eras and celebrate EBCAP's 60 years of success as a dedicated community action agency.

Proceeds will support the health and human service needs of 30,000 East Bay community members.

The event includes a cocktail hour, followed by a seated dinner, auction, awards presentation, and live music.
